

Energy management

29th September '04
The National Memorial Arboretum,
Alrewas, Staffordshire,
DE13 7AR
www.nationalmemorialarboretum.co.uk

The W&WT industry's energy costs are considerable and energy saving has a high priority. The opportunities for power saving and alternative sources are multi-disciplinary and also require multi-departmental co-ordination. This Workshop will be a valuable forum for ideas and networking for planners and project engineers.

Chairman: **Dr Issy Caffoor, Yorkshire Water**

09.00 am Annual General Meeting

09:30 am Registration and coffee

10:00 am Process area monitoring **Dave Andrews, Wessex Water**
