

MCERTS
Self Monitoring of Flow
29th June '05

WWEM Exhibition
Bretby Conference Centre

www.wwem.uk.com

MCERTS for the self monitoring of aqueous effluent is now well established but there is still work to be done on standards and other issues. This is an opportunity to get an overview and to take part in defining and prioritising future work programmes.

Chairman: **Stuart Newstead, SWIG**

10:15 am Update on MCERTS	Paul Wiggins, Environment Agency
10:45 am Review of BS 3680	Dr Hoi Yeung, Cranfield University
11:15 am Operational aspects of MCERTS	John Corris, Critical Flow
12.15 Discussion	
2:15 pm A portable solution to on-site calibration	Richard Jones, Hymetrics
2:45 pm MCERTS Certification	Bob Cooper, SIRA
3.15 pm Discussion	

Attendance cost is included in the entry fee for WWEM. Please visit

www.WWEM.uk.com for details

You can pay by Visa, Mastercard, VISA Delta, Switch, JCB, Solo, Maestro
